

Hi everyone,

It is hockey season again & I hope that you all enjoyed your summer.

At the last York Simcoe Express meeting we discussed the dress code for All players and coaches. A dress code is important, it represents your Association and we hope that all coaches & managers will set an important example to their teams by following and encouraging the dress code . We discussed how adhering to the dress code is essential in showing the respect that all coaches and players should have for the Association, their team and their families.

York Simcoe Express Dress Code:

Novice - Minor Peewee

Coaches, Asst. Coaches, Manager: Black Dress Shoes, Black Dress Pants, Shirt & Tie (teams must be consistent in colour of shirt & tie), Team Jackets.

Trainers: York Simcoe Express Tracksuit, mockneck & running shoes or as above for coaches.

Players: Black Dress Shoes, Black Dress Pants, Mocknecks & Team Jackets. (Away games there is an option to wear your tracksuits)

Peewee - Major Midget

Coaches, Asst. Coaches, Manager: Black Dress Shoes, Black Dress Pants, Shirt & Tie (teams must be consistent in colour of shirt & tie), Team Jacket.

Trainers: York Simcoe Express Tracksuit, mockneck & running shoes or as above for coaches.

Players: Black Dress Shoes, Black Dress Pants, Shirt & Tie (teams must be consistent in colour of shirt & tie), Team Jackets. (Away games there is an option to wear your tracksuits).

To all Coach's and Managers a reminder that this is a YSEHA policy that the team officials are obligated to abide by as stated in article 3.3 Duties and Responsibilities of Team Officials in the YSEHA Policies and failure by team staff to comply with this policy will carry disciplinary measures.

Thanks,
